

## 2017 InnoTech Alberta Vegreville Field Day

Join some of the province's leading agricultural researchers in Vegreville on Thursday, July 20, 2017, for a Field Day. You will learn about some of the exciting, potentially game-changing work we are doing on behalf of Albertans and have opportunities to discuss your challenges with us over delicious beef-on-a-bun.

**Location** – InnoTech Alberta- Vegreville facility (see PDF map)

**Date** – Thursday, July 20, 2017. Doors open at 8:30 AM,  
Tours will begin at 9 AM and end at 3:30 PM

**Schedule** – This year's event consists of a tour of InnoTech Alberta- Vegreville's test plots and includes a beef-on-a-bun lunch.

### Featured Crops:

Canola	Flax	Hemp
Barley	Oats	Native Plants
Wheat	Peas	Faba Beans
Corn		

### Research Scope:

- Disease research
- Biosensors for disease forecasting
- Herbicide performance
- Fungicide performance
- Seed treatment performance
- Hail simulation research
- Drone assisted crop assessments
- Variety trials
- Drought, and cold tolerance, agricultural trait selection
- Gene editing

**Clothing and equipment** – This event will take place, rain or shine. Please dress accordingly.

**Registration** – To register for this event, contact Chariti Sawchuk by email at [chariti.sawchuk@innotechalberta.ca](mailto:chariti.sawchuk@innotechalberta.ca) or by phone at 780-632-8618 **by July 13, 2017**. Field Day is **FREE** to all participants. Unregistered participants may be turned away, depending on actual attendance. Avoid disappointment; register **TODAY!**
