

POWERING YOUR PROFITS TOUR

AGRONOMY
MARKETING
MANAGEMENT

LETHBRIDGE, AB
TUESDAY, NOVEMBER 20
9:00 am - 3:30 pm
Coast Hotel and Conference Centre

Autumn Barnes

Autumn Barnes, Agronomy Specialist – *Canola Council of Canada*
Angela Brackenreed, Agronomy Specialist – *Canola Council of Canada*

HARVEST MANAGEMENT & CLUBROOT MITIGATION

Autumn will address the arrival of clubroot in southern Alberta and how to identify, scout and mitigate the impacts of the disease. Angela will discuss harvest management including straight cutting and optimizing the performance of your combine.

Angela Brackenreed

Mike Jubinville, Senior Analyst – *ProFarmer Canada*

COMMODITY MARKETING: SEEING THE FOREST FOR THE TREES

Ag markets are typically driven by weather...and this year is no different. But the emergence of conflict in trade policy is altering the grain flow matrix for oilseed, grain and pulse markets. Mike will explore the changing grain market dynamics in the Trump era.

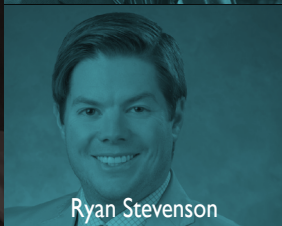

Mike Jubinville

Ryan Stevenson, Partner – *KPMG*

TAX TIPS AND TRAPS

Farmers need to know that significant tax strategies are available to them. Learn more about how to maximize income after tax, which is more than just trying to minimize the tax obligation.

Ryan Stevenson

Catherine Scovil, Director, Government Relations
– *Canadian Canola Growers Association Agriculture*

POLICY AND WHY THE FARMER'S VOICE MATTERS

Catherine Scovil is based out Ottawa and works on agriculture policy on behalf of Canada's canola farmers. Get an update on the latest issues affecting agriculture and why the voice of the farmer is so important when working with the federal government.
